

QUAD NEWS

2nd round of points at Moonshine 15th September. Track was more smoother than State Highway 1 and faster than the moths in James Bold's wallet. Once again Blackie took out max points with the rest of us battling out for the rest of the places and they were real good battles. Getting some new faces turning up and having fun (I hope). Graham Pudney put up a set of front tyres for a quad with Evan winning those. A big thanks to Graham for the prize.

Sept 21st and 22nd Riverstone Terraces NZ Two-Wheelers Nationals round. What an awesome track. Andrew Rennie turned up with his shiney new black raptor with all the go fast parts. Mr Blackie broke another axle on the back jump - what's it now? 3 broken, 2 bent. Lets see what you can do to a \$1500 axle. Even B-day pulled finger out and got the purple shopping trolley hauling. Having good battles with Kerian, Craig and myself.

A big thanks to the quad guys who helped pack up the track and Steve for the use of his 4x4 quad and trailer. Also a big thanks to Mac and Deano for letting us participate at this event. Always a privilege. Round 3 points this month.

Don't be late.

MINI MOTO - X UPDATE

If you haven't visited our WEB site it's at
[HTTP://www.trak.to/moonshine](http://www.trak.to/moonshine)

Mini riders take note that the 20th of October is round 3 of the club champs so get your bike out and get it ready for some good racing.

Remember to Please , go slow on the access road to and from the course Always wear a helmet if your riding and no casual riding around the pit's..

We're trying out a few different computerised scoring systems at the moment but still require 2 lap scorers per race. Even if you can only do a couple of races it gives others a chance to see there kids race and is not overly taxing if all bikes have easily read numbers.

For next season we will have an individual numbers for each Mini Rider from 10 to 99 unless you gain a NZ number at the Mini Nationals at Taupo in November. If you have a current individual number it will be used for you next season if you need one please pick a nice one. There will be a sheet available at the Caravan.

Taupo MCC is hosting this years Mini Motocross Champs over 2 Days the 23rd 24th November. Several Mini Teams are looking at heading up so if your interested let us know so we could all set up camp together to take on the rest of NZ.

We spent the last week of the school holidays away on holiday that included the last round of the Darbi Spectro series where unfortunately josh's quad Seized up completely after the auto oiler oiler stript a thread. A good showing by club members at the prize-giving, well done everyone.

Sunday Josh and I did a recky to the Taupo Track with leigh's Quad and were amazed at the fantastic facility they have. . WOW . **The Mini track alone** takes up the area of all our carpark , pits and Mini track !. We had a great day exploring and racing with a good 5th overall behind a flying hyosung 50 and Bombadier 50 (1/2 Lap ahead after 1st lap) and a few lt50's doing battle. The ambulance team seemed to be kept busy with some new big jumps on the big track and a spectacular flip-over of a Bombadier 90 Quad on the mini track..I hope there all well now.

Mini Results from the last club day are also up on our web page

*Hope to see you all on Sunday the 20th ready to ride hard but **fair***
